Enlightening our Partners to Empower the Promise.

## C.P.R. BREATHES NEW LIFE INTO THE CURE

We are thrilled to announce the addition of C.P. Rankin, Inc. of Chalfont, Pa as a \$50,000 Philadelphia Race for the Cure® finish-line sponsor. With Craig Rankin's generous donation and amazing enthusiasm for being a breast cancer activist, we are going to "raise the roof" and get everyone excited about the Komen promise.

Founder of his own roof management and contracting company, Craig is a man with a very big heart, and his story is one of true commitment to our community.

"I was just a humble man with a dream... C.P. Rankin is what it is today because of the people who supported me along the way," said Rankin. "I've been very fortunate, and now I have the chance to give back. I can't think of a better way to do that than by supporting Komen Philadelphia in saving lives and ending this disease."

We congratulate C.P. Rankin for being named one of Philadelphia Business Journal's top 100 fastest-growing privately-owned companies. Be sure to check out how, together, we nail down the finish in grand fashion on Race day.

*Just as they did for the Promenade Shops at Saucun Valley (pictured), C.P. Rankin is poised to take the Komen Philadelphia Affiliate to new heights of distinction in the breast cancer movement.*
